MEC Resources Limited is pleased to announce that BioPharmica Limited (ASX:BPH) has taken an exclusive option to purchase shares in MEC's investee Advent Energy Limited.

The option gives BPH the opportunity to acquire between 9.7% and 19.4% of Advent's share capital at 50c per share which is consistent with the Talbot Group Holdings investment agreement. The investment will be subject to shareholder approval from BPH shareholders which will be sought at the 2009 Annual General Meeting which is anticipated to be held on the 11th November 2009.
